

High School Registration: 101

Calgary Board
of Education

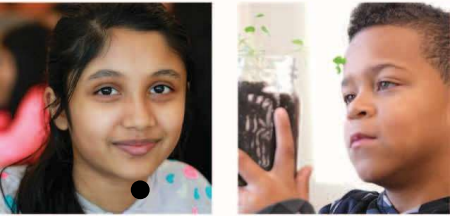

High School Registration

- RTA High Schools & Key Contacts:
 - Centennial – Mr. Tschritter
 - LBHS – Ms. Quinn
 - JCS – Mr. Bykovskikh
 - Scarlett – Ms. Armitage
 - HWW – Mx. Gill
- Make sure that you know which High School is your DESIGNATED HIGH SCHOOL.
- Students must register for classes in their DESIGNATED HIGH SCHOOL.

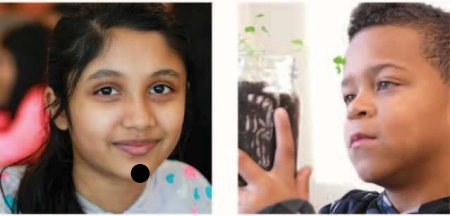

Get Ready. Get Set. Go For It!

- ***Read and review Get Ready. Get Set. Go For It!***
- Plan your High School Journey:
 - Are you looking to accelerate or to specialize?
 - RAP Program – apprenticeship?
- High School Completion Options:
 - High School Diploma
 - Certificate of High School Achievement
 - Specialized Programs (IB & AP & Languages)
- Specialized Program Open Houses begin in November – December
- Regular HS Open Houses – November - January

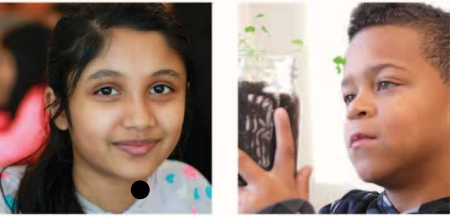

Programming Courses

- Course Start Number:
 - 1st year or Grade 10 courses start with the number 1 (for example, 10, 15)
 - 2nd year or Grade 11 courses start with the number 2 (for example, 20, 25)
 - 3rd year or Grade 12 courses start with the number 3 (for example, 30, 35)
- Course Sequence Number (Science 10-1 vs 10-2):
 - Course sequences ending in -1 emphasize abstract and conceptual challenges
 - Course sequences ending in -2, -3, and -4 include abstract challenges, but emphasize increasingly concrete and practical challenges
- Math 10C, 10-3 (trades; practical skills) and 10-4 (certificate). Math is the only course that has a -3).

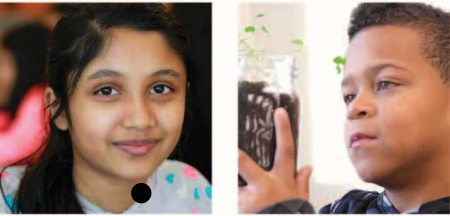

Grade 10

- Two Semesters (4 courses per semester)
 - ☐ Sept – Jan
 - ☐ Feb – June
- Grade 10:
 1. Math
 2. Science
 3. ELA
 4. SS
 5. PE
 6. Option
 7. Option
 8. Option

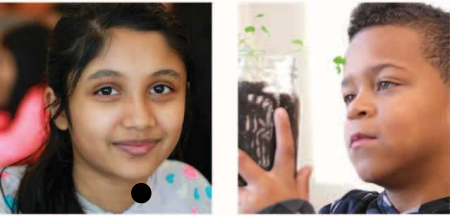

Grade 11

- Grade 11 – PE is not mandatory; sciences diversify; CALM is required..
- Example Schedule:
 1. ELA
 2. Social Studies
 3. Biology
 4. Physics
 5. Chemistry
 6. Sports Performance
 7. CALM (1/2 a semester; spare)
 8. Math

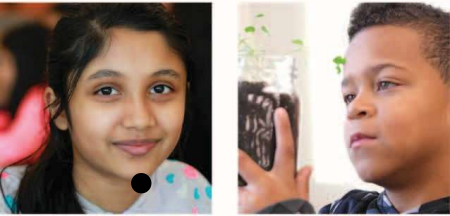

Grade 12

- Grade 12 – Spares kick in; Math divides into Math 30 and Math Calculus
- Example Schedule:
 1. ELA (REQUIRED for all Universities)
 2. Social Studies
 3. Biology
 4. Physics
 5. Chemistry
 6. Spare
 7. Calculus
 8. Math

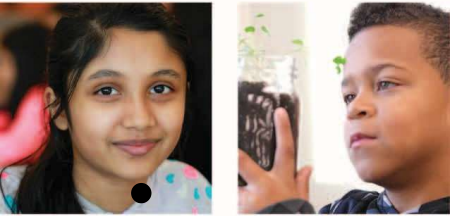

High School Registration

- ***Step 1:*** Confirm High School Designation
 - Students must register for classes at their designated school
- ***Step 2:*** Know your High School Path
 - Review school website and attend school Open House
- ***Step 3:*** Attend Open Houses
- ***Step 4:*** High School Registration in January
- Please note that some specialized programs have an additional application process – ie. writing an essay

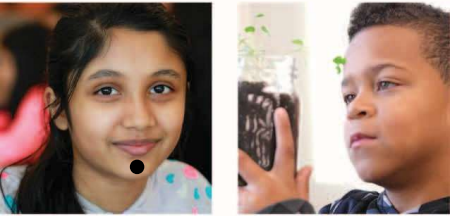

High School Registration

- Course Selection Supports:
 - High School Evening Open Houses
 - High School guidance counselors come to the school to meet with students as a group
 - HR teachers make recommendations
 - Students rank your options according to preference (do not leave any blanks)
 - Some school have an online registration process, while some have a paper registration process.

High School Transfer Process

- *Students must register for classes in their designated school*
- **Online Transfer Process:** The 2 reasons for transfer:
 1. **To enrol in an education program not offered at the student's designated school** (e.g. International Baccalaureate (IB); Language Programme or Advanced Placement (AP); CBe-learn.
 2. **To take a sequence of courses up to the 30-level that is not offered at the student's designated school** (e.g. cosmetology, welding and fabrication, culinary arts, and auto mechanics).
- **Enrollment Status** (Feb-March):
 - Open, Limited or Closed.
 - You can only choose one program, or one sequence of courses, as the reason for your transfer request.
 - Parents are notified of the decision in early April.
 - No teacher, no parent and no administration letters.
 - Year-to-year based decision
- NO teacher/principal REFERENCE Letters.

learning | as unique | as every student
