learning | as unique | as every student

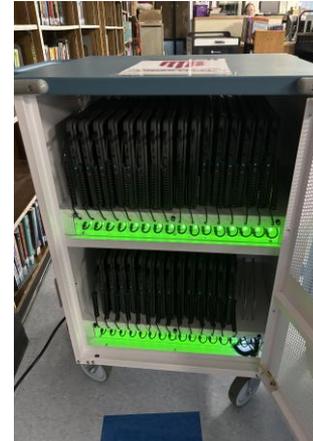

Calgary Board
of Education

Technology

- Thank you for the purchase of the new carts!
- With the addition of these two new carts, we now have:
 - 8 laptop carts
 - 1 iPad cart
 - 2 Chromebooks in each our grade 5 classrooms

Student Learning and SDP:

- **School Development Plan – Resource Allocations**

- As a larger school Literacy and Numeracy Teams, and as well, in each grade, teachers are working with students on diagnostic testing.

- **See what students already know** before starting new learning.

- **Identify strengths and gaps** in skills or knowledge.

- **Plan and adjust instruction** to meet student needs.

- **Provide early support or enrichment** where needed.

- Last year, as a school, we focused on implementing high impact disciplinary reading strategies – such as anecdotal note-taking (what does that look like in science vs ELA), which impacts all communication.

- As a staff, we continued to explore ways to support executive functioning through task design.

- As a staff, we are continuing to build capacity in all disciplines with respect to Literacy Interventions - CBE Reading Strategist (UFLI & Connections)
